

Year One

Class In Focus

Wow! What a busy and exciting first term in Year One! Parents the children have settled in beautifully so thank you for your ongoing support in helping your child get ready for the school day, especially in the mornings. It is great to see so many of the children coming into the classroom independently and organising themselves for the day and settling with a book or their spelling sort. We are **SUPER LEARNERS** in Year One!

In literacy we love reading our rhyming stories and are being super learners and having a go at finding words that rhyme and writing them.

We are also keeping busy learning in our literacy groups. We are developing lots of skills in our reading, spelling and writing. We are specifically focusing on organising our ideas and having a go at sounding out our words when we write and forming our letters correctly.

Our **SUPER PARENT HELPERS!!!**

In numeracy we are exploring numbers from 0-100. We are reading, writing and making 2-digit numbers using a range of materials. We are enjoying counting to 100 days of school. Can you believe we are already up to day 22?

In Year One we count everything in sight; we are even keeping a tally of how many teeth we are losing as a whole class. Did you know we have lost 9 teeth in Year One since the start of the year? And there are a few wobbly ones at the moment. We love counting!
